

# Dice Trading/Selling Checklist

## Preparation

- Take well lit photos of your trade stock
- Label or list your trade stock
- Point out and/or photograph flaws
- Have shipping materials at hand

## Trade/Sales Post

- Consider timing of post
- Mention in your post
  - ISO and trade stock
  - Where the dice are shipping from
  - Shipping costs
  - Willingness to receive PMs
  - Potential flaws in dice you're offering
  - Sales post only:  
Acceptable payment methods and timelines
  - Trade post only:  
Willingness to also buy or sell

## Agreeing on the Trade/Sale

- Openly communicate about value of trading dice and potential flaws or anomalies of the trade/sale dice
- Seek guidance from others if you're not sure about dice value
- Ensure both parties or the buyer have received satisfactory photos/videos of the dice
- Use the PayPay Goods & Services option (not Family & Friends) for dice sales
- Summarize trade/sales agreement before shipping

## Shipping Dice

- Use padded envelopes (additional padding or protection recommended)
- Use tracked shipping (insurance recommended for higher value trades/sales)
- Communicate about customs form completion details and preferences (if applicable)
- Included freebies (optional)
- Confirm address prior to shipping
- Take picture of envelope/box before shipping
- Share tracking number with recipient after shipping
